GENERAL INFORMATION

PACKING—Freight car packing is done carefully with generous use of sawdust, sphagnum moss, and water. No extra charge for freight car packing.

Less carload packing is done at cost.

INSPECTION—We hold inspection certificates from both the State of New York and the Commonwealth of Pennsylvania.

Japanese Beetle "B" certificates available for all shipments on request.

PRICES—Prices are F. O. B. shipping point—6% interest charges after 60 days.

BURLAPPING—Extra charge of 10 to 20 cents per plant where burlapping is not designated.

CLAIMS—All claims or complaints must be made within five days after receipt of goods.

We cannot be held responsible for delays and damage in transit.

We accept all orders upon the condition that they shall be void should injury befall stock from frost, hail, storms or other causes over which we have no control.

RAILROAD AND TRUCKING FACILITIES

RAILROAD FREIGHT—Main Line of **ERIE RAILROAD** from New York to Chicago—one of the major freight roads of the United States. We are unable to publish freight rates as they change periodically due to present conditions. We will quote you on request.

TRUCKING—

- (1) Full Truckloads. We have been assured of delivery of full truck load lots.
- (2) Small Shipments. Where it is possible to combine several orders to make a full load, trucking can be arranged. In most cases, though, it will be necessary for the duration to depend on Railway Express or less carload freight.

EXPRESS—We can quote you express rates on request. Boxing or bundling for express or less carload freight shipments is done at cost.
